Topics discussed:

- Developing SEER*Stat datasets
 - Kevin Ward commented it would be best to have Serban for this conversation
 - Should the datasets be SEER*Stat? SAS?
 - What specifically should be included?
- Adding fields to SEER*DMS
 - David noted that IMS internal development issues have been submitted for this work.
- Pharmacy Utilization Document – David shared the document with the group. He will send an email to the group asking for everyone to review and send comments by the next meeting on 01/20/2023.
- CanMED/SEER*API
 - Can we add support to flag first course agents by site in CanMED/SEER*API?
 - Discuss at next meeting with Serban
- Serban or Kevin present on workgroup efforts at end of year CCAB meeting on 12/20/2022?
 - Serban noted in an email that he will not be presenting
 - Kevin Ward will put together a presentation
- Should we invite Nadia to future workgroup meetings?
 - Nadia will be invited to review the Pharmacy Utilization document and attend the next meeting on 01/20/2023.
